

## Calendar of Events

---

March 20, 2018  
- March 23, 2018

### **TransPack Forum**

*New location. Same great event! Join us this year in San Diego, California to learn from and network with world-leading experts on the latest ideas surrounding the optimization of packaging for transport.*

March 20, 2018  
- March 22, 2018

### **TempPack Forum**

*We are pleased to introduce, ISTA's TempPack Forum, to be held March 20-22 at the Marriott Marquis in San Diego, California. The TempPack Forum brings together professionals to focus on technical topics related to global temperature controlled performance packaging. The TempPack Forum creates an opportunity for presenters to share their insights, challenges, knowledge, case studies and research having a direct impact on the packaging industry.*

*The TempPack Forum program is designed to allow attendees the opportunity to meet other professionals during shared networking and exhibition events of the co-located TransPack Forum. Join us and prepare to learn, network and become inspired.*

April 17, 2018  
- April 19, 2018
